## Chapter 1 by xCringe

Bob is the manager of the junkyard, where nothing happens...

Until on Friday night, someone stole all the scrap metal and the 1985 Ford Mustang Bob's been looking at.

Looks like Bob will have to be a detective and solve this crime against humanity.

I know I know. Why can't Bob hire a professional detective? Listen. Bob ain't got time for that. Or the money. He only makes \$12.01 an hour. Still gotta pay bills and taxes. And save up for that Mustang. So Bob's got to do it himself.

Bob begins by going into the junkyard to look for clues.
